Property Overview

PartnersCRE is proud to present for sale Cloud Nine, a 36 Unit Apartment Community in vibrant West Adams.

The property is located on a double corner lot at 3567 Chesapeake Ave. (a quiet, residential tree-lined street), in a neighborhood quickly undergoing a transformation, full of **new construction!**

With a **Certificate of Occupancy from late 2025**, the building features all the modern systems and conveniences your future tenants have come to expect, from **spacious** units with brand new appliances to **manicured common areas** including a spacious roof that includes lounging areas, dining tables, a grill and unobstructed views of the city, to the tremendous convenience of being just a hop and a skip to the **Farmdale Metro Expo (E) Station**, just over one block away!

Featuring controlled access, in-unit laundry, sleek designs, some apartments with balconies, generous bicycle parking and 15 vehicle parking spaces, the property is on the edge of a vast single family-zoned area, with low-rise homes, unobstructed views and easier street parking.

The property offers **additional income**, such as **parking and storage fees** charged independently of rents, along with **EV Charging, TV and Internet service**, which is billed directly to tenants along with **RUBS**.

The property boasts **eight 2 bed + 2 bath, twenty-four 1 bed + 1 bath and four studio** units, ranging from **542 to 1,007 SF**.

There are four restricted units reserved for affordable housing.

The area has undergone a **major economic renaissance** during the past decade, with development as the driving force. The new apartment and mixed-use developments in the immediate area have provided an **overwhelming increase in the demand for high end rental units** and retail.

The building is a stone's throw to the Rancho Cienega Recreation Center and Dorsey Senior High School. Take the **Metro to USC or Culver City**, continue on to Downtown LA or Santa Monica!

The **area features tons of new restaurants, cafes, markets** and much more! It is hard to keep track of what has opened and what is in the planning to open in the near future!

A recent-construction 32 Unit Apartment Building just north, on the same block, is also available and may be purchased together with this property!

Area Development

5035 Coliseum — + Housing Development

Currently in development is a mixed-use complex called "5035 Coliseum" at the corner of Coliseum Street and La Brea Avenue in Baldwin Village.

Located less than a mile from 3567 Chesapeake, this project will be **the first development of its kind in the country**, with a Costco serving as the anchor retail tenant on the ground floor and 800 apartment units above it.

The Housing:

Of the 800 apartments, 184 units (23%) will be dedicated to low-income households, and the remaining units are earmarked as non-subsidized affordable and workforce housing for seniors and families, including those with Section 8 vouchers. (FOX 11 Los Angeles)

Amenities:

Plans call for five courtyards, a landscaped walking path, a rooftop pool, basketball courts, play structures, and a fitness area, as well as outdoor spaces for movie nights, community gardens, and classes. (Urbanize LA)

The Costco:

The Costco will be the first located in South Los Angeles and will offer produce, healthy food options, optical services, a pharmacy, and delivery services. It's estimated to create around 400 new local jobs. (NBC Los Angeles)

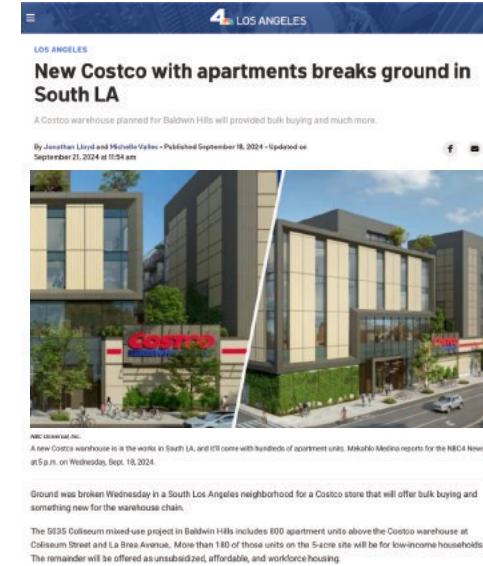

Timeline:

The project officially broke ground in January 2026 and construction is expected to take about two and a half years, with an anticipated opening in 2027. (FOX 11 Los Angeles)
